Petition To Remove Clark County Education Association As Representative

The undersigned employees of the Clark County School District do not want to be represented by the Clark County Education Association, hereafter referred to as "CCEA".

Should the undersigned employees constitute 30% or more, but less than 50%, of the bargaining unit represented by CCEA, the undersigned employees hereby petition the EMRB to hold a decertification election to determine whether the majority of the employees also no longer wish to be represented by the CCEA.

In addition, should the undersigned employees constitute 50% or more of the bargaining unit represented by CCEA, the undersigned employees hereby request that our employer immediately withdraw recognition from the CCEA, as it does not enjoy the support of a majority of the employees in the bargaining unit.
